

Reflective Sign Support Cover

Carsonite is pleased to announce the launch of our Reflective Sign Support Cover. Designed especially for the Highway market, this product helps to increase the visibility of guide signs, which in turn, helps protect the public.

Features:

- Won't rust, rot, or corrode
- Increased visibility during inclement weather
- Optional messages for motorist information
- Maintenance free
- Universal design for U-channel or flat post
- Easy to install
- Available in Hi-Intensity or Diamond grade reflective sheeting

Please contact your respective Regional Sales Manager or Carsonite Customer Service with any questions you may have.

Prices shown include reflective sheeting and mounting hardware
Add \$0.75 per letter for message
